

INDIVIDUAL RETIREMENT ACCOUNT: SAVE MONEY YOUR WAY

WHY THE IRA?

Whether you're already participating in employer-sponsored retirement plans and want additional savings options, self-employed and want to actively save for retirement, or not saving and want to start, IRAs allow you to decide when and how much you save.

ADVANTAGES:

- An individual retirement product, you don't have to enroll through an employer.
- If you change jobs, your money stays with you.
- Make contributions on your own schedule or roll over funds from another account.
- An estate planning tool- choose your beneficiary.
- Choose from Traditional or Roth IRA.

GOOD FOR SOMEONE WHO ...

- Is looking for flexibility, based on income, to save more for retirement.
- Wants to choose how to receive funds in retirement.
- Has available funds they want to roll over into an IRA.

Competitive and Guaranteed Base Returns

IRAs offer a guaranteed base interest rate of **3-6%**. **There is no downside risk- meaning your money continues to grow even if the market fluctuates.** Each account also qualifies for Good Experience Credits (additional interest earnings) when designated by Pension Fund's Board of Directors.

Eligibility

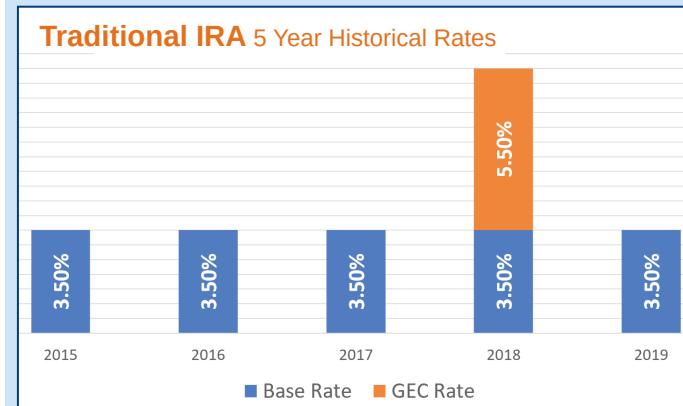

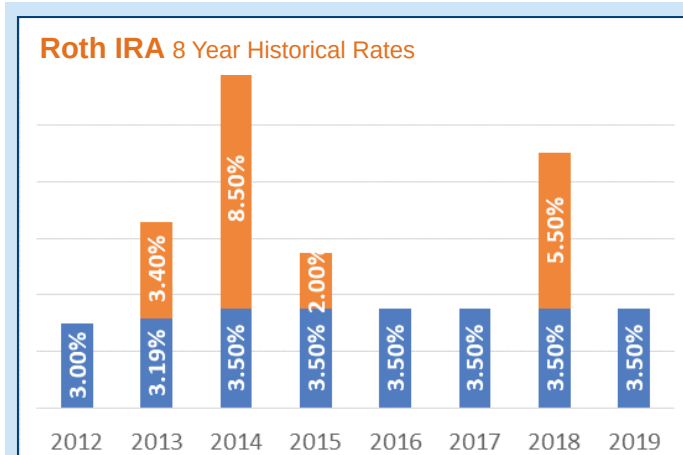

If you are an employee or former employee of an eligible congregation, region, general ministry or church-related college, seminary or benevolent organization related to the **Stone-Campbell/Restoration Movement**, you are eligible to participate. Spouses of an eligible employee are also able to open an IRA.

Rollovers:

Pension Fund welcomes rollovers from eligible third-party accounts, including:

- 401(k) plan (pre-tax)
- 403(b) plan (pre-tax)
- 457(b) plan (pre-tax)
